I just now received the Attorney's call and they have declined our proposal for examiner's Amendment. Accordingly, we will be reopening Prosecution and sending a Non-Final office action.

The above case, an Appeal Brief, is 2 months old amendment was transferred this week from Examiner Rhode's docket. Applicant's attorney was requested to approve issuing an Examiner's Amendment to place the application in condition for Allowance. Since the attorney has requested some more time to respond. the application can be processed in next bi-week only and therefore it would appear as 2+ month old amendment in the next Palm Reports..
